

ExpoIndoor has been a cornerstone of the West Kentucky community, stepping up as a FEMA resource center during the tornado relief effort and providing vital support in a time of need. Now, we're looking to the future. Your donation will play a crucial role in rebuilding this beloved facility, ensuring it continues to serve the youth of the Purchase Region as a space for growth, connection, and opportunity. Together, we can create a lasting legacy for the next generation.

## DONATION TIERS

Please note that all donations are one-time contributions exclusively for our 2025 rebuilding efforts and are not part of any recurring donation program.
